

GUIDELINES FOR GRADING

Hold Onto Your Eyeballs

RATING CRITERIA	A	B	C	D	F
Was your illusion neatly drawn and painted					
Was your illusion effective? Did it make your eyeballs ache?					
Did you go above and beyond to add a complicated design?					
Did you include some words or symbols that you added depth to using one point perspective?					
Did you finish the reflection below in complete sentences?					

A = 4

B = 3

C = 2

D = 1

F = 0

Check the box you feel is fair for your work for each of the Rating Criteria, then assign the value above for each grade. Total the amount of points and divided by 4 to get your letter grade using the table above. You may add a + or – depending on the effort you put into your work. _____ TOTAL

REFLECTION: Using complete sentences complete the following questions.

1. What did you like about your finished project? 2. What would you change if you were to do it over? 3. Name something important that you learned from this lesson. _____
